## Reversible Plate Compactor 813kg Diesel

Wacker Neuson DPU110Lec870: Ultra-high performance (813kg) diesel compactor for conquering massive jobs.

- Super-strong 813kg compaction force: conquers the toughest compaction tasks on massive jobsites.
- Reliable diesel engine: Delivers continuous power for nonstop operation.
- Compatec compaction meter which comes pre-installed as a standard feature.
- Durable construction: Built to withstand the harshest working conditions.
- Ideal for large-scale projects: Perfect for compacting a wide range of materials on extensive jobsites.

### Specifications

- Model - DPU110Lec870
- Item No.- 5100026869
- Engine - Kohler KDW1003
- Power - 21Hp
- Weight - 813kg
- Operating Width - 870mm
- Force - 110kN

The Wacker Neuson DPU110Lec870 is a behemoth in the world of reversible plate compactors. Its incredible 813kg compaction force dominates even the most demanding large-scale compaction projects. The reliable diesel engine provides uninterrupted power, and the reversible design allows for maneuverability in tight spaces, for maximum efficiency.
