BFS735 14" Petrol Floor Saw

The BFS735 is a powerful gas-powered concrete saw for deep cutting in concrete, asphalt, & masonry.

- Powerful petrol engine for deep cuts: Cuts through tough materials like concrete, asphalt, and masonry with ease.
- Large 14-inch blade for deep cuts in a single pass: Saves time and effort on deep cutting projects.
- Gas-powered for portability and flexibility: Use the saw anywhere on the job site without needing an outlet.
- Ideal for various concrete cutting applications: Perfect for expansion joints, and trenches.
- Durable construction for long-lasting performance: Built to withstand demanding construction environments.

Specifications

- Model - Floor Saw BFS735 14" Petrol
- Item No.- 5100029228
- Power - 4.3 KW
- Weight - 69 kg
- Operating Width - 488 mm
- Max depth - 120 mm

The BFS735 floor saw is a professional tool designed for deep cutting in concrete, asphalt, and masonry materials. Its powerful petrol engine provides ample power to handle tough jobs. The large 14-inch diameter blade allows for deep cuts in a single pass, improving efficiency. This gas-powered saw is ideal for construction applications such as creating expansion joints or making deep trench cuts.
