## BS70-2plus Oil Injected 2 Stroke Rammer 74kg

Wacker Neuson BS70-2plus: Powerful oil-injected rammer (74kg) for heavy-duty compaction.

- Powerful oil-injected engine: Delivers superior compaction force for tough jobs.
- Clean and efficient operation: Oil injection reduces emissions and eliminates fuel mixing.
- Good balance of power and weight (74kg): Provides maneuverability for efficient work.
- Durable construction: Built to withstand the rigors of heavy-duty jobsites.
- Ergonomic design: Enhances operator comfort during long working hours.

### Specifications

- Model - BS70-2Plus
- Item No.- 5100030608
- Engine - Wacker WM80
- Power - 2.7Hp
- Weight - 74kg
- Force - 21kN
- Foot Width - 280mm
- Stroke - 65mm

The Wacker Neuson BS70-2plus is a heavy-duty Rammer designed for tackling demanding compaction jobs. This oil-injected 2-stroke engine rammer delivers superior force for efficient consolidation of various soil types. Weighing 74kg, it offers a good balance of power and maneuverability. The oil-injection technology ensures clean and efficient operation, reducing emissions and fuel mixing mess. The ergonomic design minimizes operator fatigue during extended use.
