## VPH70 Plate Compactor

Wacker Neuson VPH70: Powerful vibratory plate compactor for efficient soil compaction.

- **Powerful compaction:** Delivers excellent compaction performance for efficient soil consolidation.
- **Lightweight and maneuverable:** Easy to handle and operate in tight spaces.
- **Low hand-arm vibration:** Minimizes operator fatigue during extended use.
- **Easy to operate:** User-friendly design ensures smooth operation.
- **Versatile applications:** Ideal for compacting various soil types in construction projects.

### Specifications

- Model - VPH70
- Item No.- 5000006907
- Engine - Honda GX160
- Power - 4.8Hp
- Weight - 77kg
- Operating Width - 460mm
- Force - 20Kn

The Wacker Neuson VPH70 is a robust vibratory plate compactor designed for efficient compaction of various soil types in construction applications. Its powerful centrifugal force ensures effective results, while the lightweight and maneuverable design makes it ideal for working in confined spaces. The VPH70 is easy to operate and features low hand-arm vibration for operator comfort.
