Plate Compactors

DPU130r

Remote Plate Compactor Diesel

Wacker Neuson DPU130r: Most powerful (130kN) remote-controlled compactor for high productivity on large sites.

- Unmatched 130kN compaction force: The strongest remote-controlled compactor for maximum productivity on large jobs.
- Safe remote control operation: Work from a safe distance away from noise, vibration, and dust.
- Reversible design: Maneuvers easily in tight spaces, improving efficiency.
- Durable construction: Built to withstand the harshest working conditions.
- Ideal for large projects: Perfect for compacting a wide range of materials on extensive jobsites.

Specifications

- Model - DPU130r
- Item No.- 5000610143
- Engine - Kohler KDW1003
- Power - 21Hp
- Weight - 1,185kg
- Operating Width - 1200mm
- Force - 130kN

The Wacker Neuson DPU130r is the champion of vibratory Remote Plate Compactors, delivering a whopping 130kN of compaction force. This translates to superior productivity, especially for large-scale projects. The innovative remote control system allows for safe operation from a distance, reducing exposure to noise, vibration, and dust. The reversible design ensures maneuverability in tight spaces for improved efficiency.
