BS50-2plus Oil Injected 2 Stroke Rammer 59kg

Wacker Neuson BS50-2plus: Oil-injected rammer (59kg) for powerful compaction with less mess.

- **Powerful oil-injected engine:** Delivers exceptional compaction performance for demanding jobs.
- **Clean and efficient operation:** Oil injection reduces emissions and eliminates fuel mixing.
- **Good balance of power and weight (59kg):** Easy to handle for efficient compaction.
- **Durable construction:** Built to last for long-term use on tough jobsites.
- **Ergonomic design:** Enhances operator comfort during long workdays.

Specifications

- Model - BS50-2Plus
- Item No.- 5100030594
- Engine - Wacker WM80
- Power - 2.4Hp
- Weight - 59kg
- Force - 16kN
- Foot Width - 280mm
- Stroke - 64mm

The Wacker Neuson BS50-2plus is a high-performance Rammer featuring an oil-injected 2-stroke engine for exceptional compaction force. This 59kg rammer offers a good balance of power and maneuverability. The oil-injection technology ensures clean and efficient operation, reducing emissions and fuel mixing mess. It's ideal for various jobsites and soil types, while the ergonomic design minimizes operator fatigue during extended use.
